

a6
positions equiangularly arranged about a rotation axis of said support.

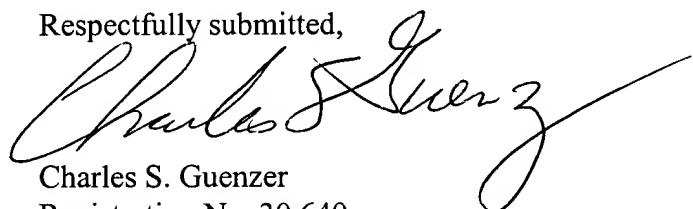

REMARKS

Claims 1-37 remain in the application.

Some of the original claims have been somewhat broadened. New claims utilize different claiming approaches.

In view of the above amendments and remarks, prompt consideration and allowance of all claims are respectfully requested. If the Examiner believes that a telephone interview would be helpful, he is invited to contact the undersigned attorney at the listed telephone number, which is on California time.

Respectfully submitted,

Charles S. Guenzer
